

FIREARM TRANSFERS

Transferring to Ray O'Herron Co.

The Ray O'Herron Co., Inc. will complete a transfer for a customer's firearm purchase from another dealer. There is a \$30.00 fee, tax additional, for the transfer. The customer will need to provide us with a valid email address for the shipping dealer to send our FFL to.

Please have the shipping dealer include their FFL along with your name and contact information in the packaging with the firearm. We ask that, as a courtesy, the customer notify the store that will be receiving the transfer (Danville or Downers Grove) prior to arrival of the firearm.

The customer may come in at any time to complete the 4473 form and IL state FTIP approval.

Transferring from Ray O'Herron Co.

The Ray O'Herron Co., Inc. will transfer to a local area FFL dealer for a customer order. The customer will pay applicable shipping fees in addition to the price of the firearm and any sales tax required.

Please include "Firearm Transfer" and the store location (Danville or Downers Grove) in the subject line. The firearm will ship on completion of payment and receipt of dealer FFL information.

The Ray O'Herron Co., Inc. reserves the right to refuse completion of a transfer at our discretion.
